

OXFORD UNIVERSITY DEVELOPMENT

THIS EASTER HOLIDAY SCIENCE WONDER family activities

This Easter Holiday, come along to Exeter Hall and get inspired by the exciting science and innovation happening just down the road, with our neighbours at Begbroke Science Park.

Get hands-on with up-close science activities and learn about research and technologies that will help us travel and live more sustainably.

APRIL
13 drop in
11 am - 2 pm

note: transport of the future

APRIL
14 drop in
11 am - 2 pm

note: biodiversity + clean energy
