We invite you to this special exhibition for Begbroke Innovation District (BID) to view the illustrative masterplan ahead of OUD's submission of the outline planning application, this summer.

Your contributions from July and November 2022 and March 2023 have helped develop the masterplan and we would like to share with you:

- The Vision
- Details of the outline planning application
- How to stay involved and participate in community activities and events planned for the next 12 months and beyond

We look forward to seeing you there.
