**WARNING**

There may have been subsequent alteration to the surface levels. Trial holes must be undertaken to determine position and depths of cables. HS (G) 47 Booklet from the Health and Safety Executive - Avoiding Danger from Buried Cables - should be consulted before commencing excavation work.  
WHEN WORKING IN THE VICINITY OF OVERHEAD LINES THE HEALTH AND SAFETY GUIDANCE NOTES G56 SHOULD BE CONSULTED (AVAILABLE FROM THE HSE WEBSITE)

Dig Sites Area: Line:

**Extra High Voltage  
cables in vicinity**

Date Requested: 24/06/2022  
Job Reference: 25881037  
Site Location: 448662 213014  
Requested by: Mr Joe Shawyer  
Your Scheme/Reference: 31188\_003

| Voltages (V)                  |                        |  |  |
|-------------------------------|------------------------|--|--|
| LV (Low Voltage) and Services | Up to 1,000V           |  |  |
| HV (High Voltage)             | Over 1,000V to 11,000V |  |  |
| EHV (Extra High Voltage)      | 22,000V to 132,000V    |  |  |
| Transmission                  | 275,000V and 400,000V  |  |  |

**NORMAL DEPTH TO THE TOP OF THE CABLE WHEN LAID**

| Services        | LV    | HV    | EHV   |
|-----------------|-------|-------|-------|
| Footpath/Unmade | 0.45m | 0.45m | 0.6m  |
| Road Crossing   | 0.6m  | 0.6m  | 0.75m |
| Agricultural    | 1m    | 1m    | 1.1m  |

**Legend**

- Service Cable
- LV Mains
- 6.6kV
- 11kV
- 22kV
- 33kV
- 66kV
- 132kV
- 275kV
- 400kV
- Fibre Optic
- Pipit Cable

**Distribution Structures (Electric)**

- Pole, Existing Location
- Pole Structure, Existing Location - Single
- Pole Structure, Existing Location - H
- Duct Route
- Cross Section Route

**WARNING**  
There may have been subsequent alteration to the surface levels. Trial holes must be undertaken to determine position and depths of cables. HS (G) 47 Booklet from the Health and Safety Executive - Avoiding Danger from Buried Cables - should be consulted before commencing excavation work.  
**WHEN WORKING IN THE VICINITY OF OVERHEAD LINES THE HEALTH AND SAFETY GUIDANCE NOTES G56 SHOULD BE CONSULTED (AVAILABLE FROM THE HSE WEBSITE)**

If you're unsure & need to seek advice before commencing excavations, please contact:  
 General Enquiries: 0800 048 3516

Scale: 1:500 (When plotted at A4)

**WARNING**  
 There may have been subsequent alteration to the surface levels. Trial holes must be undertaken to determine position and depths of cables. HS (G) 47 Booklet from the Health and Safety Executive - Avoiding Danger from Buried Cables - should be consulted before commencing excavation work.  
**WHEN WORKING IN THE VICINITY OF OVERHEAD LINES THE HEALTH AND SAFETY GUIDANCE NOTES G56 SHOULD BE CONSULTED (AVAILABLE FROM THE HSE WEBSITE)**

**WARNING**  
 There may have been subsequent alteration to the surface levels. Trial holes must be undertaken to determine position and depths of cables. HS (G) 47 Booklet from the Health and Safety Executive - Avoiding Danger from Buried Cables - should be consulted before commencing excavation work.  
**WHEN WORKING IN THE VICINITY OF OVERHEAD LINES THE HEALTH AND SAFETY GUIDANCE NOTES G56 SHOULD BE CONSULTED (AVAILABLE FROM THE HSE WEBSITE)**

Scale: 1:500 (When plotted at A4)

**WARNING**  
 There may have been subsequent alteration to the surface levels. Trial holes must be undertaken to determine position and depths of cables. HS (G) 47 Booklet from the Health and Safety Executive - Avoiding Danger from Buried Cables - should be consulted before commencing excavation work.  
**WHEN WORKING IN THE VICINITY OF OVERHEAD LINES THE HEALTH AND SAFETY GUIDANCE NOTES G56 SHOULD BE CONSULTED (AVAILABLE FROM THE HSE WEBSITE)**

**Southern Electric Power Distribution plc**  
 Registered Office: No.1 Forbury Place  
 43 Forbury Road Reading RG1 3JH  
 Registered In England & Wales No.04094290

**Southern Electric Power Distribution plc**  
 Registered Office: No.1 Forbury Place  
 43 Forbury Road Reading RG1 3JH  
 Registered In England & Wales No.04094290

If you're unsure & need to seek advice before commencing excavations, please contact:  
 General Enquiries: 0800 048 3516

Subject to revision – Master held by SSEN Asset Data Team:  
[Asset.Data@sse.com](mailto:Asset.Data@sse.com)  
 01256 337 294

Scale: 1:500 (When plotted at A4)

**WARNING**  
 There may have been subsequent alteration to the surface levels. Trial holes must be undertaken to determine position and depths of cables. HS (G) 47 Booklet from the Health and Safety Executive – Avoiding Danger from Buried Cables – should be consulted before commencing excavation work.  
 WHEN WORKING IN THE VICINITY OF OVERHEAD LINES THE HEALTH AND SAFETY GUIDANCE NOTES G56 SHOULD BE CONSULTED (AVAILABLE FROM THE HSE WEBSITE)

Warning: PDF designed for A4 colour print only with no page scaling

 01256 337 294

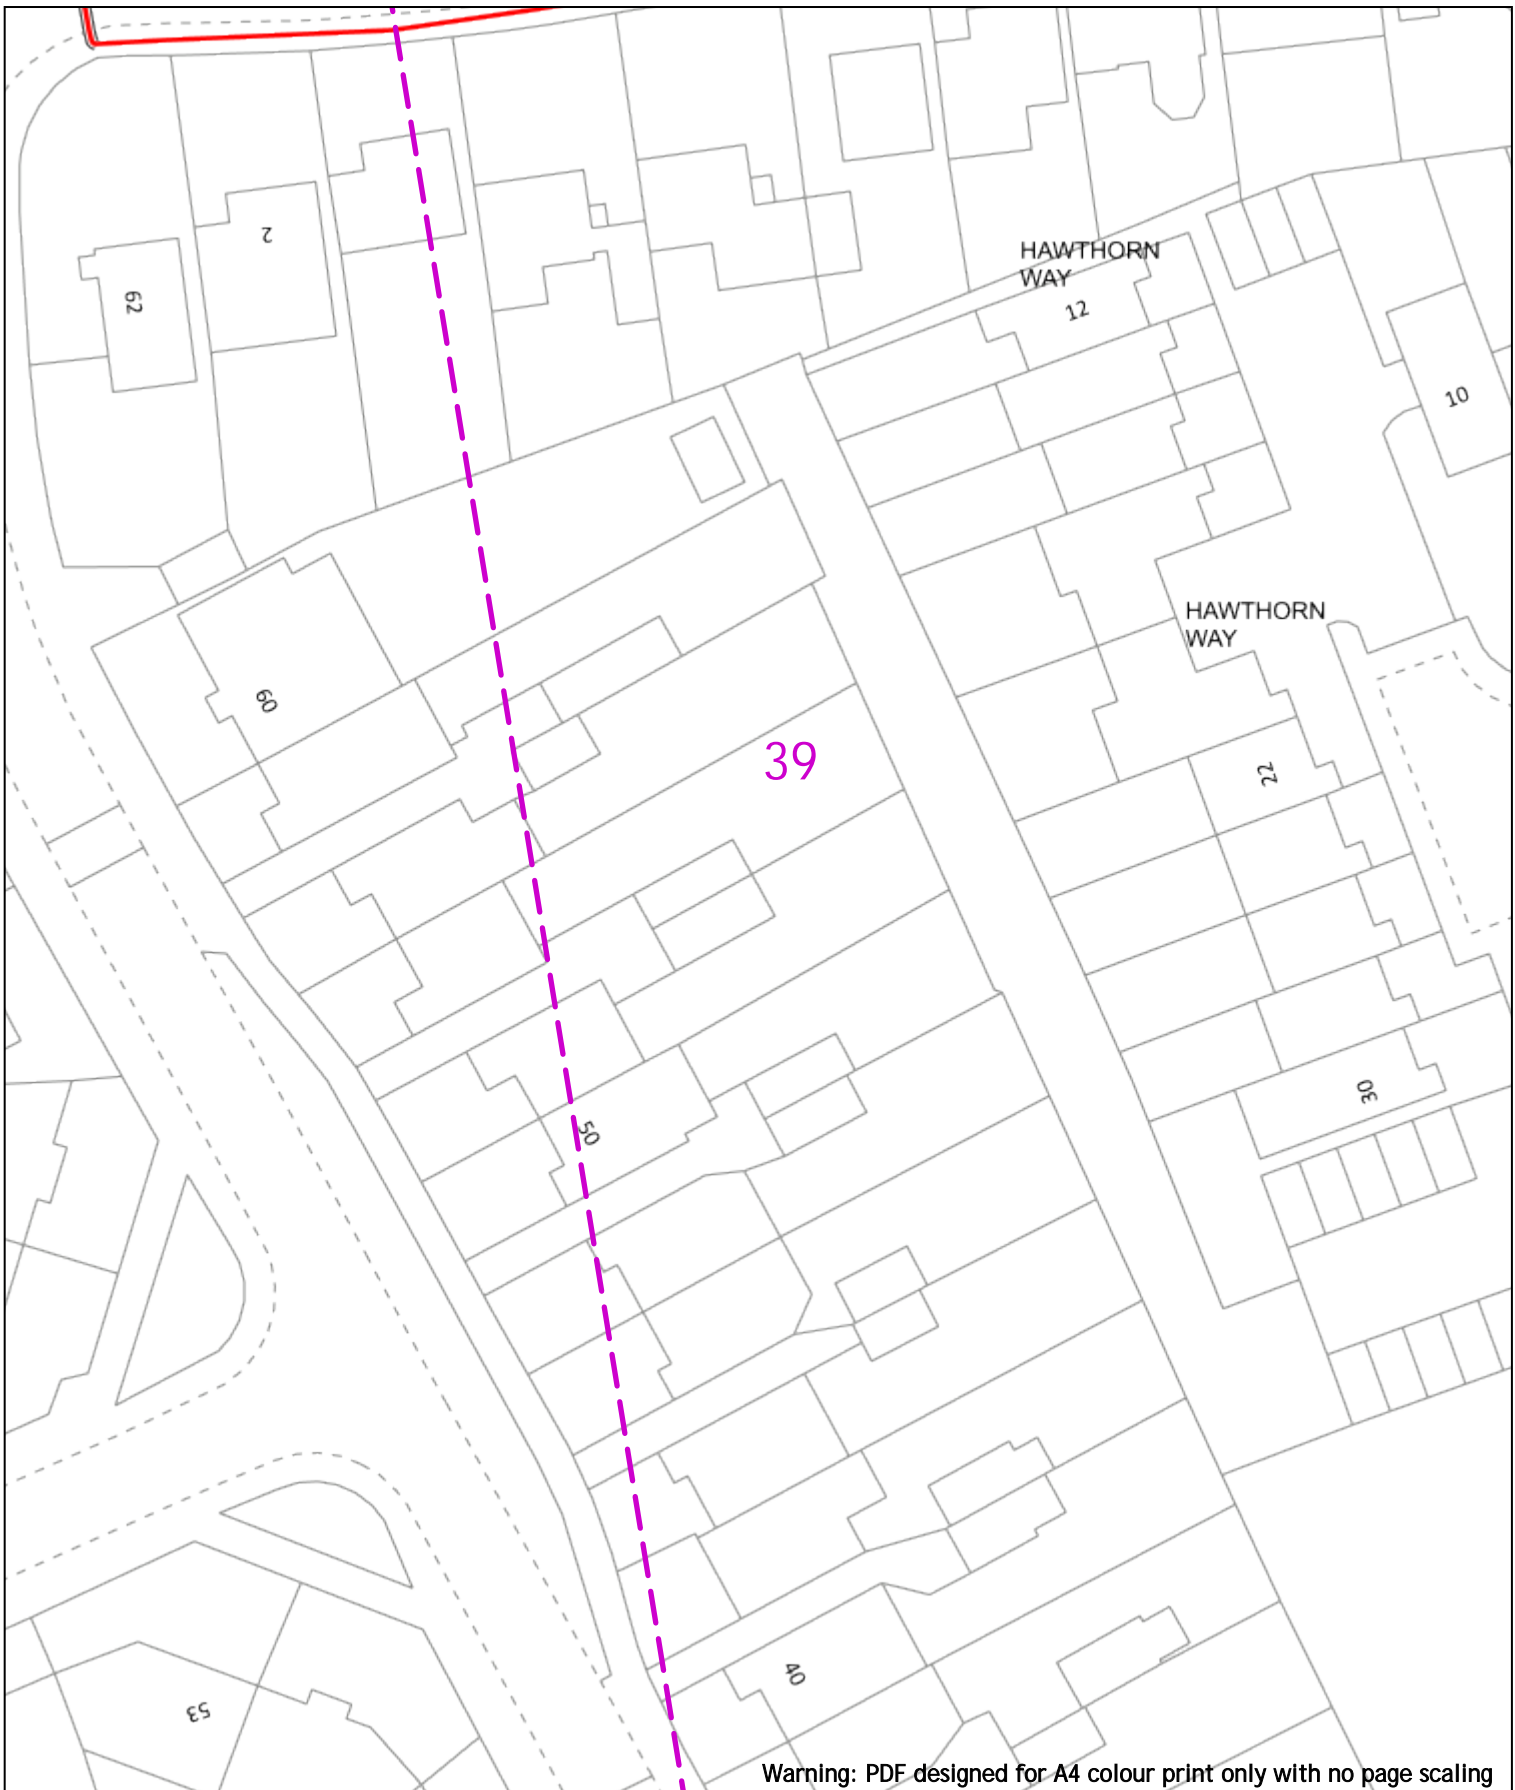

Scale: 1:500 (When plotted at A4)

**WARNING**  
 There may have been subsequent alteration to the surface levels. Trial holes must be undertaken to determine position and depths of cables. HS (G) 47 Booklet from the Health and Safety Executive – Avoiding Danger from Buried Cables – should be consulted before commencing excavation work.  
**WHEN WORKING IN THE VICINITY OF OVERHEAD LINES THE HEALTH AND SAFETY GUIDANCE NOTES G56 SHOULD BE CONSULTED (AVAILABLE FROM THE HSE WEBSITE)**

**Southern Electric Power Distribution plc**  
Registered Office: No.1 Forbury Place  
43 Forbury Road Reading RG1 3JH  
Registered In England & Wales No.04094290

If you're unsure & need to seek advice before commencing excavations, please contact:  
General Enquiries: 0800 048 3516

Subject to revision - Master held by SSEN Asset Data Team:  
[Asset.Data@sse.com](mailto:Asset.Data@sse.com)  
01256 337 294

Scale: 1:500 (When plotted at A4)

**WARNING**  
There may have been subsequent alteration to the surface levels. Trial holes must be undertaken to determine position and depths of cables. HS (G) 47 Booklet from the Health and Safety Executive - Avoiding Danger from Buried Cables - should be consulted before commencing excavation work.  
**WHEN WORKING IN THE VICINITY OF OVERHEAD LINES THE HEALTH AND SAFETY GUIDANCE NOTES G56 SHOULD BE CONSULTED (AVAILABLE FROM THE HSE WEBSITE)**

Warning: PDF designed for A4 colour print only with no page scaling

 43 Forbury Road Reading RG1 3JH  
 Registered In England & Wales No.04094290

If you're unsure & need to seek advice before commencing excavations, please contact:  
 General Enquiries: 0800 048 3516

Scale: 1:500 (When plotted at A4)

**WARNING**  
 There may have been subsequent alteration to the surface levels. Trial holes must be undertaken to determine position and depths of cables. HS (G) 47 Booklet from the Health and Safety Executive - Avoiding Danger from Buried Cables - should be consulted before commencing excavation work.  
**WHEN WORKING IN THE VICINITY OF OVERHEAD LINES THE HEALTH AND SAFETY GUIDANCE NOTES G56 SHOULD BE CONSULTED (AVAILABLE FROM THE HSE WEBSITE)**

Dear Joe Shawyer

**SSEN Distribution - Asset Network Plans**

We have sent you the plans of our network records within the area requested. You will shortly receive responses each of the following; any High Voltage Mains cables and Low Voltage Mains cables.

Attached to this email is the 'Guide to Interpreting' which includes the legends for the plans on pages 7-9.

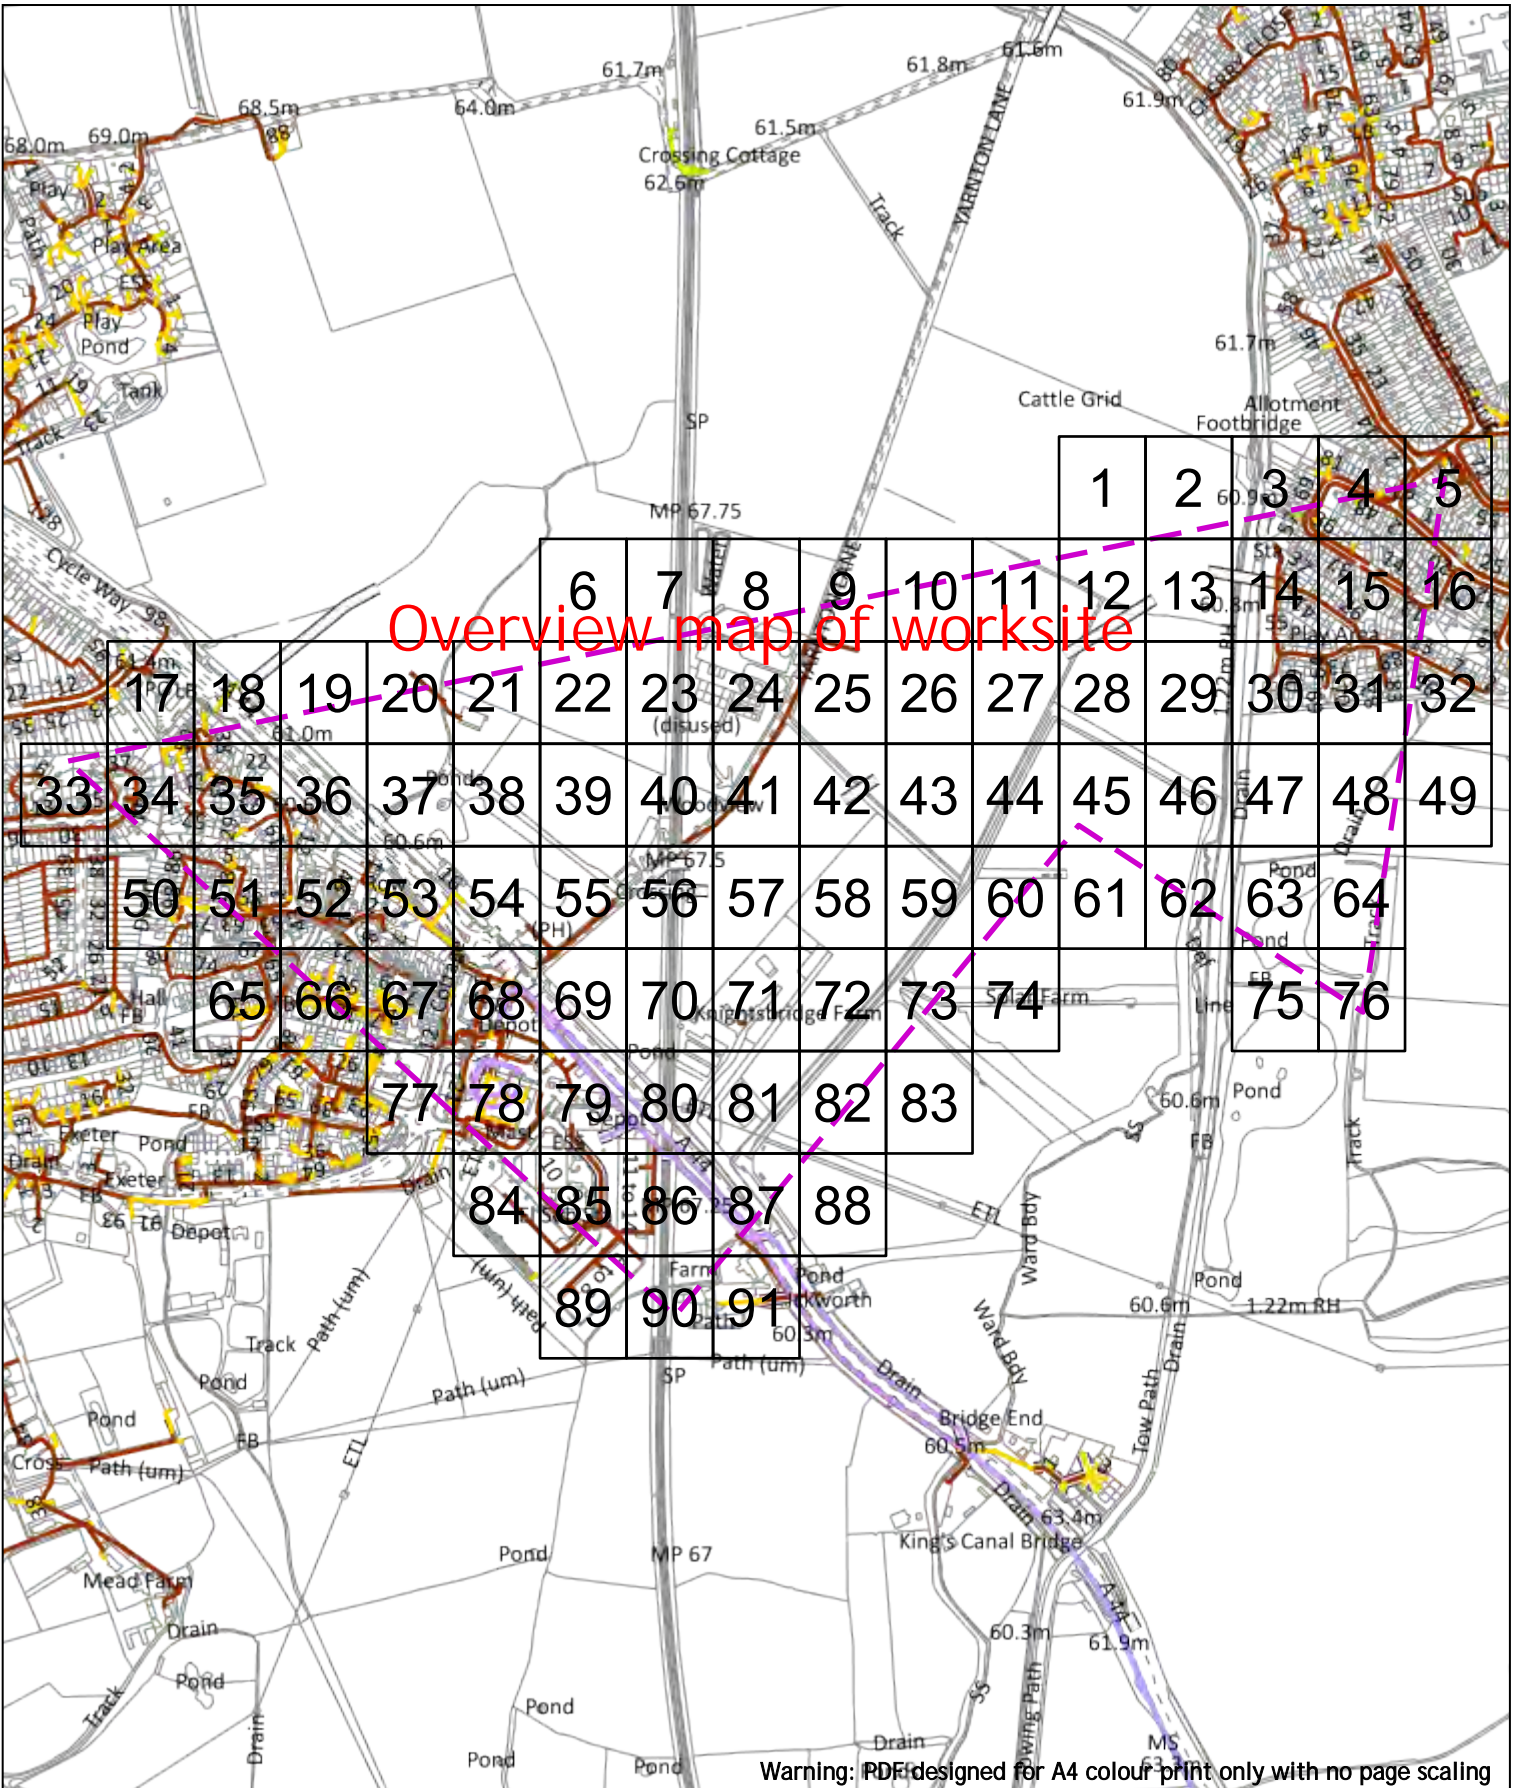

If a Service Cable is not shown on our maps sent, and you require the Cable to be Traced, please contact the General Enquiries Department on 0800 048 3516 (option 3) or via email, [ge@ssen.co.uk](mailto:ge@ssen.co.uk)

If you need further information on our network in this area or a quotation for any required works, please contact the Connections & Engineering Department on 0800 048 3516 or via email, [connections@sse.com](mailto:connections@sse.com)

Kind Regards,

Asset Data Team  
01256 337 294

**Legend**

- Service Cable
- LV Mains
- 2-33kV
- 66kV
- 110kV
- 220kV
- 330kV
- 500kV
- 132kV
- 275kV
- 400kV
- Fibre Optic
- Pilot Cable

**Distribution Structures (Electric)**

- Pole, Existing Location
- Pole Structure, Existing Location - Single
- Pole Structure, Existing Location - H
- Duct Route
- Cross Section Route

WARNING

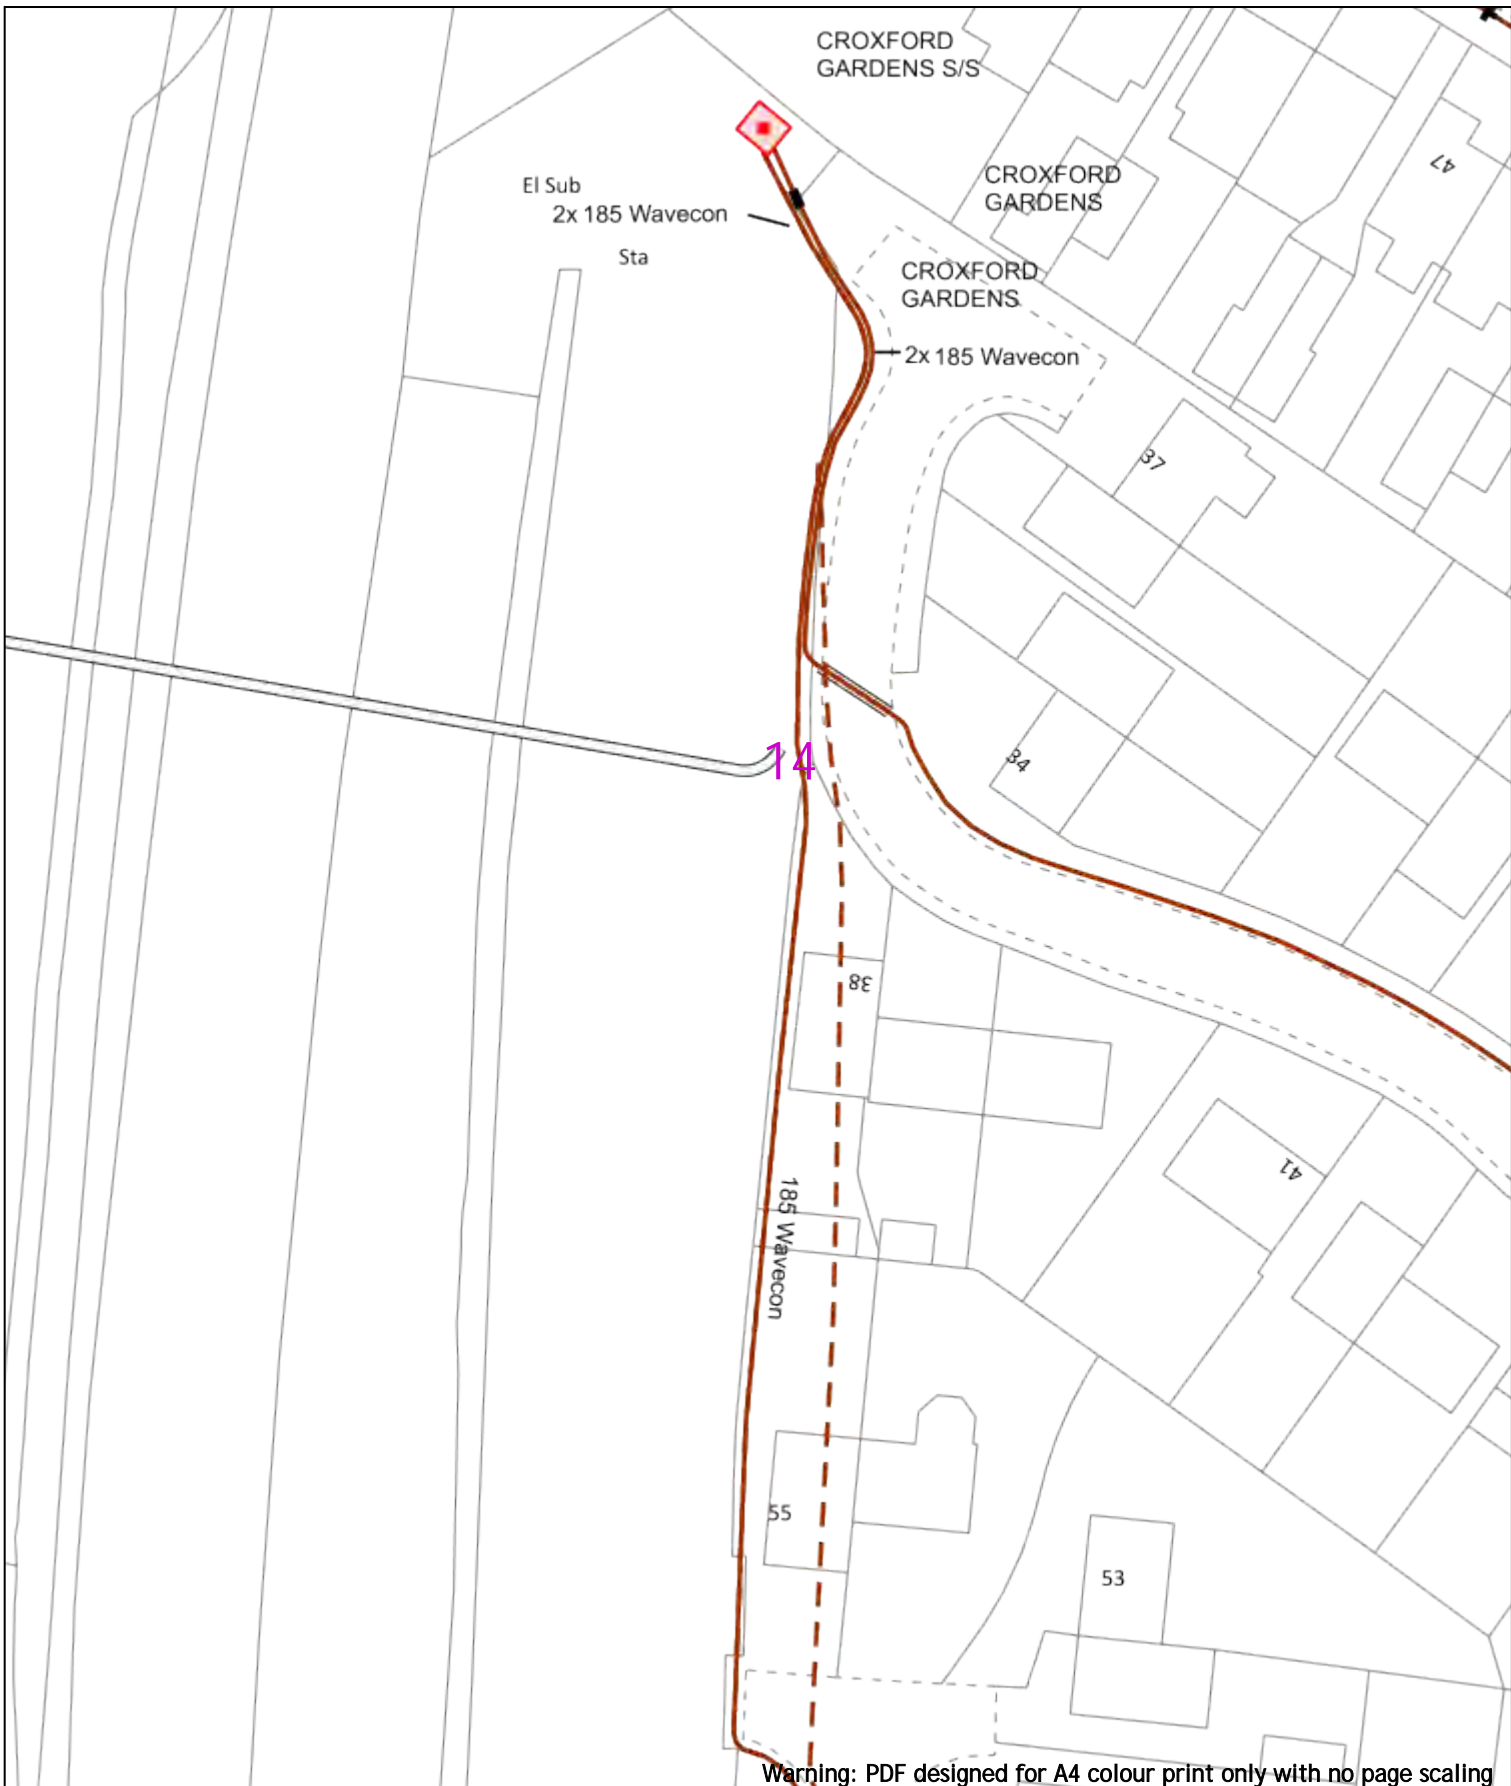

There may have been subsequent alteration to the surface levels. Trial holes must be undertaken to determine position and depths of cables. HS (G) 47 Booklet from the Health and Safety Executive - Avoiding Danger from Buried Cables - should be consulted before commencing excavation work.

WHEN WORKING IN THE VICINITY OF OVERHEAD LINES THE HEALTH AND SAFETY GUIDANCE NOTES G56 SHOULD BE CONSULTED (AVAILABLE FROM THE HSE WEBSITE)

| 275kV         |  |
| 400kV         |  |
| Fibre Optic   |  |
| Pilot Cable   |  |

**WARNING**  
 There may have been subsequent alteration to the surface levels. Trial holes must be undertaken to determine position and depths of cables. HS (G) 47 Booklet from the Health and Safety Executive - Avoiding Danger from Buried Cables - should be consulted before commencing excavation work.  
 WHEN WORKING IN THE VICINITY OF OVERHEAD LINES THE HEALTH AND SAFETY GUIDANCE NOTES G56 SHOULD BE CONSULTED (AVAILABLE FROM THE HSE WEBSITE)

- Pilot Cable

**Distribution Structures (Electric)**

- Pole, Existing Location
- Pole Structure, Existing Location - Single
- Pole Structure, Existing Location - H
- Duct Route
- Cross Section Route

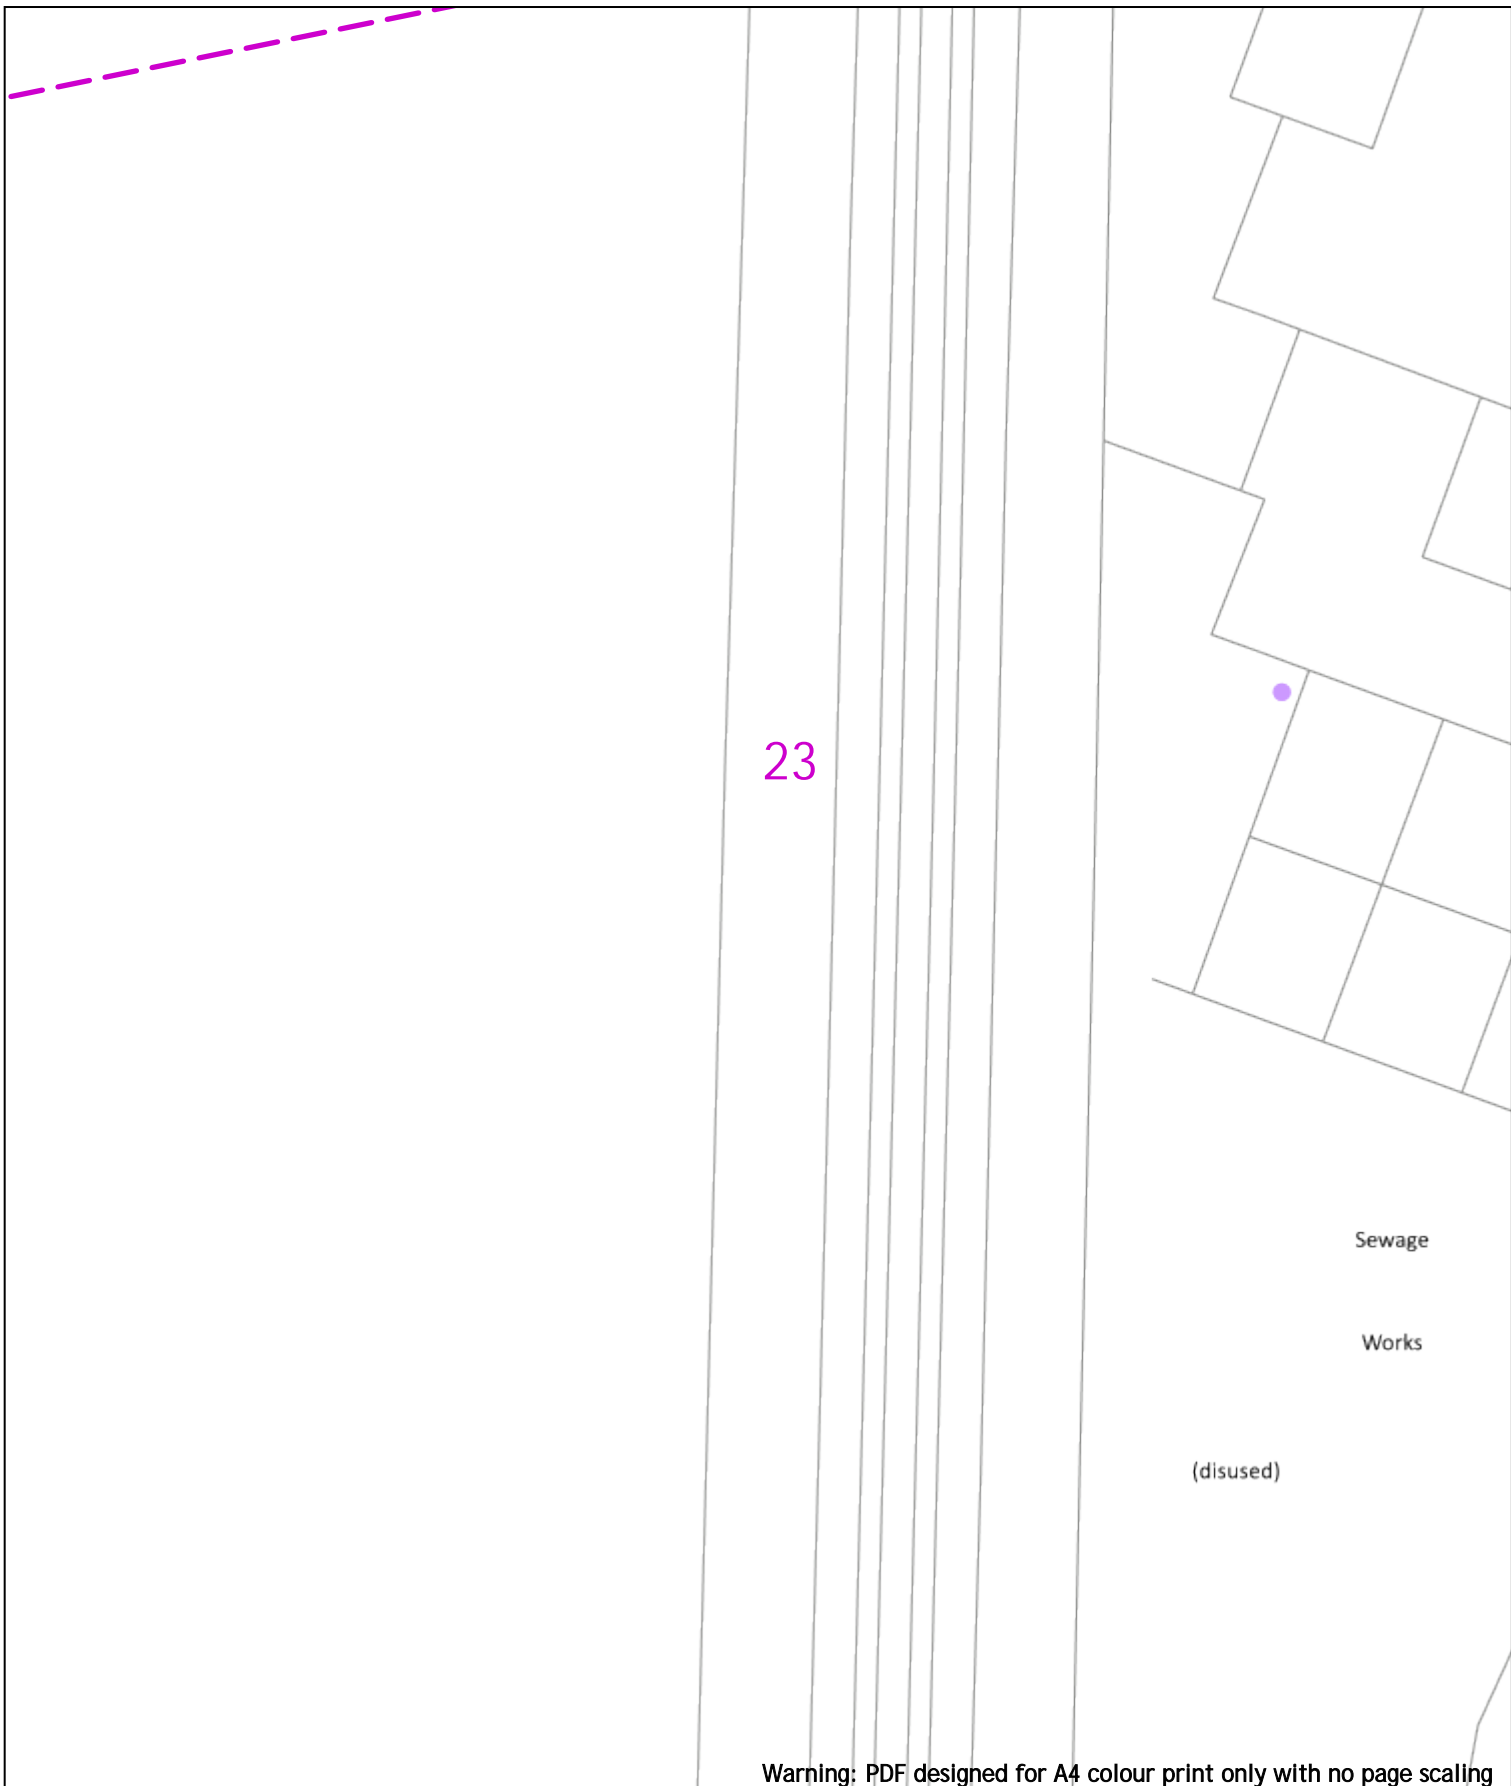

**WARNING**  
 There may have been subsequent alteration to the surface levels. Trial holes must be undertaken to determine position and depths of cables. HS (G) 47 Booklet from the Health and Safety Executive - Avoiding Danger from Buried Cables - should be consulted before commencing excavation work.  
 WHEN WORKING IN THE VICINITY OF OVERHEAD LINES THE HEALTH AND SAFETY GUIDANCE NOTES G56 SHOULD BE CONSULTED (AVAILABLE FROM THE HSE WEBSITE)

Scale: 1:500 (When plotted at A4)

 01256 337 294

Scale: 1:500 (When plotted at A4)

**WARNING**  
 There may have been subsequent alteration to the surface levels. Trial holes must be undertaken to determine position and depths of cables. HS (G) 47 Booklet from the Health and Safety Executive – Avoiding Danger from Buried Cables – should be consulted before commencing excavation work.  
**WHEN WORKING IN THE VICINITY OF OVERHEAD LINES THE HEALTH AND SAFETY GUIDANCE NOTES G56 SHOULD BE CONSULTED (AVAILABLE FROM THE HSE WEBSITE)**
